- ))) two transmitters: your\_Stick / your\_Dock
- ))) two receivers: your\_Solo / your\_Duo
- ))) your\_Sub for extra power

Welcome to your\_World

A person is sitting on a couch, using a silver laptop. Their hands are on the keyboard. A small white portable music player is connected to the laptop and sits on their lap. The laptop screen shows a music player interface with a CD icon and a list of songs. An orange speech bubble points from the text to the music player.

Your beats are everywhere
